

25 - 26 October 2023, Ljubljana, Slovenia

Let the Countdown Begin!

Adria Security Summit 2023 Powered by Intersec is all set to take place on October 25-26, 2023, at the **Gospodarsko raztavišče** center in Ljubljana, Slovenia. The organizers have completed all the necessary preparations for the event, which promises to be a unique platform for professionals in commercial and cyber security, IoT, ICT, smart solutions, automation, and mobility. Interested parties are advised to **note that only five booths are still available** for exhibitors who wish to participate in this esteemed gathering.

Event Platform for In-Person or Virtual B2B Networking

The Summit offers a world-class networking experience through the event platform, which is now open for registration. You can interact with industry experts, thought leaders, and potential partners from around the world through this dynamic platform, **either in-person or virtually**.

With ample time for networking, knowledge exchange, and fruitful collaborations, you can make the most of this opportunity to **connect, collaborate, and achieve success**. The organizers are committed to providing active support throughout the event, enabling you to maximize the value of your participation as a sound business investment.

50+ Expert Presentations in Two Days

The Summit promises to offer a robust conference program, with a lineup of speakers and sessions addressing key topics like the costs of security investments, the digital transition, cybersecurity, AI in biometrics, and other pressing issues. You can expect to gain valuable insights and strategic takeaways that you can readily incorporate into your business strategies.

Stage for Startups

The Summit will also focus on new ideas on the market, offering startups an opportunity to showcase their products and solutions and connect with investors. The startup program will be moderated by Edin Mehic, a highly accomplished serial entrepreneur and investor with an impressive business track record.
